

Free Website Resource Limits and Consequences

Source: [The Truth About 'Free Websites'](#)

Published on Apr 20, 2026

Common resource limitations on free website plans and their impact when exceeded, including storage, bandwidth, and file restrictions.

Free Website Resource Limits and Consequences

Resource	Common Limit	Impact When Exceeded
Storage	500MB - 1GB	Cannot add more images/files
Bandwidth	1-5GB/month	Site becomes inaccessible
Pages	5-10 pages	Cannot expand content
File uploads	5-10MB per file	Cannot upload high-quality media
